Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

At the time of filing the instant application, small entity was incorrectly established on the fee transmittal sheet, dated January 4, 2002. The error in entity status was completely inadvertent. Furthermore, no fees have ever erroneously been paid as small entity fees during the prosecution of the captioned application. Applicants believe, therefore, that no deficiencies of payment of fees are due. Enclosed herein is a calculation of deficiency owed under 37 C.F.R. §1.28(c)(2)(i), showing a zero balance due, and an authorization to debit Deposit Account No. 50-3120, if necessary. If any additional fees are necessary to correct entity status for the above-captioned application, then any such fees are hereby authorized to be charged to account number 50-3120.
